- 5.

Did you put a ✓ next to the most important question?

Alternative Assessment #2

Scoring Key

Renting an Apartment

Definition: An appropriate question is one from the final class list or in addition to the list if it is clearly related to an apartment rental. It should be in the correct format for a question, but mistakes that do not affect the meaning should not be taken into consideration.

Scoring:

5-4 Pass

5 Student responded with five appropriate questions or answers.

4 Student responded with four appropriate questions or answers.

0-3 Does not pass

3 Student responded with three appropriate questions or answers.

2 Student responded with two appropriate questions or answers.

1 Student responded with one or no appropriate question or answers.
